

The Time Study Buddy™ is a **web-based time study service** that is currently in use by 8 counties in California

TIME STUDY BUDDY

www.TIMESTUDYBUDDY.com

In addition to saving administrative time and costs, the Buddy has been designed to **maximize revenue**.

No special hardware or software is required. It's ready to use, right now. We maintain the application and time study codes in compliance with state and federal guidelines.

Visit us at our vendor booth here at the CWDA Conference for more information.
